PLAN NAME	INVESTMENT RANGE	TOTAL ROI	DURATION	DAILY CREDIT
Starter Plan	\$100 – \$499	4%	2 Days	2%/day
Standard Plan MOST POPULAR	\$500 – \$1,499	16%	4 Days	4%/day
Stock Plan	\$5,000 – \$29,999	42%	6 Days	7%/day
Premium Plan	\$10,000 – \$49,999	140%	14 Days	10%/day
VIP Plan	\$50,000 – Unlimited	1200%	60 Days	20%/day

How ROI Works

The Total ROI shown is your complete return for the full plan duration. It is paid out daily — split equally across each day of the plan. For example, the Standard Plan (4% daily over 4 days) credits 4% every day, totaling 16% at maturity. At maturity, your original capital is returned in full automatically. No action needed — our cron engine handles everything every minute.

05. Referral Rewards

Earn attractive referral commissions by introducing new investors — a flat 5% commission on every deposit made by your referrals, paid out across up to 5 levels of your referral network.

5% Flat Commission

On every referral deposit, across all 5 plans and up to 5 referral levels
